Benefits of M&K IN-HOUSE

- Training can be scheduled at your convenience
- Training is more focused, consistent and relevant to local needs
- Fee includes tuition, course handouts and all travel and accommodation

In-house training can take several forms, for example:

Off-the-shelf training programme or a programme tailored to your needs and managed by a training specialist.

“ Thank you, brilliant course met all expectations. Second time we have run an M&K onsite course and would recommend to anyone! **Excellent value for money.** ”

We can adapt and tailor programmes to meet specific local needs, invoice when convenient for you, and you can ensure training is delivered across your organisation to the same high standard for all staff. Not only does this offer you the facility to offer quality training across your trust addressing specific needs, but it means you can spend your training budget wisely.

Options also include blended learning, which is a combination of eLearning and classroom teaching.

Cost per head
